### Creating Memories

Holocaust survivors are active and engaged with the community at a variety of our Friendship Club socialization gatherings where together they celebrate holidays, enjoy concerts, or just talk.

### Staying Connected

Our groundbreaking *Tablets and Technology: Alleviating Isolation in Holocaust Survivors* program helps connect Holocaust survivors to the world, family, and friends via the internet, email and video chats.

### Being Healthy

Hearing tests, hearing aids, vision adaptive equipment, and emergency dental care services are provided at no cost for financially eligible Holocaust survivors.

### PCTI-focused

Jewish Family Service is dedicated to providing Holocaust survivors with culturally sensitive supportive services as well as person-centered, trauma-informed (PCTI) supportive services. PCTI care is a holistic approach to service provision that promotes the dignity, strength, and empowerment of individuals by incorporating knowledge about the role of trauma in their lives.
